This beautifully designed ceramic wall tile is created by utilizing a unique waterfall glazing technology. This allows the glaze a less even color distribution to create the organic subtleties of light and dark color saturation. A blend of six different undulating tile edges achieves the authentic Spanish craftsmanship the world has long admired. Kaleidoscope offers 120 items, 44 different colors all with matching trim.

Colors on this page are available in sizes 3 x 6, 2-1/2 x 8, 3 x 12 and trim in 1x12
